- Hot link-AAUW.org (with info that there is place on form to indicate that branch should be notified of contribution).

Questions, comments, concerns?

1. The left side of each page (except home page) will have a duplicate of the drop-down menu as well as a back button
2. Some pages will require the ability to print with “Printer-friendly version” icon—how do this?
3. Will there be a “save” feature in the event someone wants to save an item to send/share with someone else?

Revised 7/12/2009

4. What else have we missed/forgotten?
